Origin
is both the end of the road
and the beginning once more. A
search for the fundamental essence
of our work in what surrounds us.
Throughout this cycle we will
discover the complex
spider's web which any thought
creates, find out where it comes from
and the elements it consists of.
The different speakers will trace a
pathwards through what is sometimes
invisible and difficult to
explore. They reveal the source of what
is powerful ideas. The origin is
the most mysterious part of
any organism.

We aim to understand the
complexity of transformations and
previous relationships. The origin is
perhaps the most mysterious part of
